

Good Afternoon Dr. DuCharme,

On behalf of the Interagency Workgroup overseeing the Private Non-Medical Institution (PNMI) Program, I am forwarding the Random Moment Time Study (RMTS) performance results for your PNMI program.

As specified in your contract with DCF and /or your PNMI Provider Agreement, you are required to effectively implement the RMTS in support of the state of Connecticut's efforts to maximize federal Medicaid reimbursements.

The compliance ratings for your program follow:

SFY 2013

Program	Quarter 1 7/1/12-9/30/12	Quarter 2 10/1/12-12/31/12	Quarter 3 1/1/13-3/31/13	Quarter 4 4/1/13-6/30/13
The Learning Clinic RTC	96.15%	92.90%	98.82%	98.44%

The Learning Clinic residential treatment center has met the minimum requirement for compliance for SFY 2013. We congratulate you on your success and look forward to your continuing efforts!

Please be advised that beginning in January 2014, we will issue your compliance results quarterly. Any program that has a compliance rating below 85% for any quarter (including the quarter currently underway) may be subject to a plan of correction.

Thank You,

Dan Panchura
