

Hello Dr. DuCharme,

I am forwarding the second quarter (10/1/13-12/31/13) Random Moment Time Study (RMTS) performance results for your PNMI program.

**2014 Quarter 2 (10/01/2013-12/31/2013)**

Program	Moments Assigned	Auto Mapped	Approved	Incomplete Expired	Left/LOA	Total Moments 10/1/13-12/31/13	Quantity of Incomplete Expired Status Moments	Percentage Not Completed	Percentage Completed
R T C - The Learning Clinic	260	213	10	12	8	252	12	<b>4.76%</b>	<b>95.24%</b>

These preliminary results from UMASS show that your company, The Learning Clinic, is compliant for SFY 2014 Quarter 2. As you can see, the residential treatment center continues to easily exceed the 85% minimum completion rate.

I have not yet forwarded these results to the PNMI Workgroup as I want to give you an opportunity to have your RMTS Liaison and system report users review the RMTS system reports available to them and to highlight any expired moments that they believe may be errors.

I'll need to hear from them no later than Wednesday afternoon as the workgroup will receive the results next Thursday morning.

Thank you,

Dan
